Mwese muri abavandimwe muri Nyagasani (Mt 23, 8)

4. Isoko y'ubuvandimwe ikomoka ku gaciro gakomeye Muntu yahanganywe, kuko yavuye mu biganza by'umuryango wa Data, Mwana na Roho Mutagatifu: "Noneho duhange muntu mu ishusho ryacu no mu misusire yacu" (Intg 1, 26). Gusa ubwo bumwe n'ubuvandimwe buranga abantu, bukomoka ku bumwe bw'Ubutatu butagatifu, bwangijwe n'icyaha cy'inkomoko, maze Muntu yishyira ahantu adashobora kwikiza ubwe. Mu rukundo ruhebuje rwa Yezu Kristu, "wemeye kumvira Data akageza aho gupfira ku musaraba" (Fil 4, 8), maze ku munsi wa gatatu akazuka, nibwo abari hafi n'abari kure y'Imana bose "bahurijwe mu muryango umwe, maze aca urwango rwabatandukanyaga" (Ef 2, 14). Amahoro arongera arahinda "babikesha amaraso ya Kristu" (Ef 2, 13).

5. Abagize urugo bakunzwe na Data "Umubyeyi umwe uri mu ijuru" (Mt 23,9) kandi barangamiye Yezu Kristu "wahaze amagara ye kubera incuti ze" (Yh 15,13), barushaho kunga ubumwe, gukomera mu buvandimwe no guhorana amahoro.

Ubuvandimwe n'amahoro mu rugo bisigasirwe n'isengesho

6. Iyo abagize urugo bakomeye kandi "bashinze amizero muri Nyagasani" (Iz 26,3), bagahurira ku isengesho rya buri munsi, ariko cyane cyane "bagahimbariza hamwe Ukaristiya ya buri cyumweru"[2], iri funguro ritagatifu rikubiyemo ibanga rya Pasika, ribongerera imbaraga, rikababumbira hamwe kandi rikabamurikira ubuzima bwabo bwose. Nuko Yezu muzima ubatunze akabafasha kugenda basa na We, maze akabera urwo rugo "amahoro yabo" (Ef 2,14) n'isoko idakama y'ubuvandimwe.

Urugo rube koko ishuri ry'ibanze ry'ubuvandimwe n'amahoro

7. Umwitozo w'ibanze w'ubuvandimwe ukorerwa mu rugo, ugomba gushingira mbere na mbere ku rukundo ruzira ugudandukana (Mt 19,6) hagati y'ababyeyi bombi, no hagati y'abagize urugo bose, kuko "ukunda wese aba yarabyawe n'Imana, akanayimenya" (1 Yh 1,7). Mu rugo ni "ahantu ha mbere indangagaciro z'urukundo n'ubuvandimwe, ubumwe no gusangira, guhangayikishwa no kwita ku bandi bitangirira kandi bitangirwa"[3]. y'ubumwe bw'Ubutatu butagatifu mu bantu, akaba ari na bwo shingiro ry'ubumwe bw'umuryango.

8. Iyo urukundo ruganje mu bagize urugo, buri wese "yitaweho, yihanganirwa, akunzwe n'iyo yaba afite intege nke, ubumuga cyangwa arwaye"[4], nta gushidikanya "Nyagasani na We aba ahari n'ibyishimo bye n'amahoro ye"[5]. Ubuvandimwe nk'ubwo rero bufasha abagize urugo "gukomeza kubana mu rukundo, kubahana, kwihangana, kwitwararika, no kugumana umutima umwe ubahuza mu mahoro"(Ef 4,2-3). Niba hari uwakomerekeje undi, "nta kurangiza umunsi batakanye imbabazi no kuzihana kuko bibungabunga ubuvandimwe n'amahoro mu rugo"[6].

Ubuvandimwe n'amahoro mu muryango mugari no mu ncuti z'urugo

9. Ubuvandimwe n'amahoro mu rugo, kugira ngo birambe, ntibigomba kwikubirwa cyangwa ngo bikumire abo mu muryango mugari n'incuti z'urugo. Ubwo bukungu ni icyiza rusange giharanirwa, cyifuzwa kandi gisangirwa n'abandi, ku buryo "Ibyishimo n'ububabare bya buri wese biba ari ibya bose"[7]. Abagize urugo bagomba, "guhorana ishyaka ryo guhura n'abandi, gushaka aho bahurira, kubaka ibiraro"[8], kuko bibyara amahoro nyayo kandi arambye.

Urugo rube koko igicumbi cy'ubuzima

10. Ubuvandimwe n'amahoro mu rugo byubakwa kandi no kwikuzamo umuco wo kurengera ubuzima bw'abawugize. Ubuzima bw'umuntu ni impano ikomeye kandi itagereranywa y'Imana. Imana ni yo mugenga w'ubuzima, kuko buyikomokaho kandi bukayiganishaho : "Ntarakuremera mu nda ya nyoko nari nkuzi, nakwitoreye utaravuka" (Yer 1,5). Bityo rero nta muntu n'umwe, ku mpamvu iyo ariyo yose, ushobora kuvuga ko afite uburenganzira bwo gusenya ubuzima bw'undi. Icyo cyubahiro cya muntu, uko yavutse kose, kigomba gusigasirwa. Nimureke rero twese twubahe ubuzima, tuburengere, tuburinde icyabutesha agaciro cyose, kuva muntu agisamwa kugeza Imana imwihamagariye.
